STATOTHR

Dear Harry:

In response to your request of 30 August, I'm enclosing a copy of a paper put out in July of this year on "Soviet Scientific-Technical Manpower Resources," which is the best and most recent thing of its kind that we have. Insofar as your requests for similar data on Eastern Europe and China are concerned, our data are not so neatly compiled but instead exist largely in unevaluated report form. For this reason, I'd suggest that on your next trip to Washington you discuss the matter with some of our people who are most knowledgeable on these subjects. If such a meeting will be convenient for you, give me a call and I'll arrange it.

Sincerely,

STATINTL

Robert Amory, Jr.
